

# Wireless Printing from Mobile Devices

**1. Download the PrinterOn App from the App Store.**

It looks like this: 

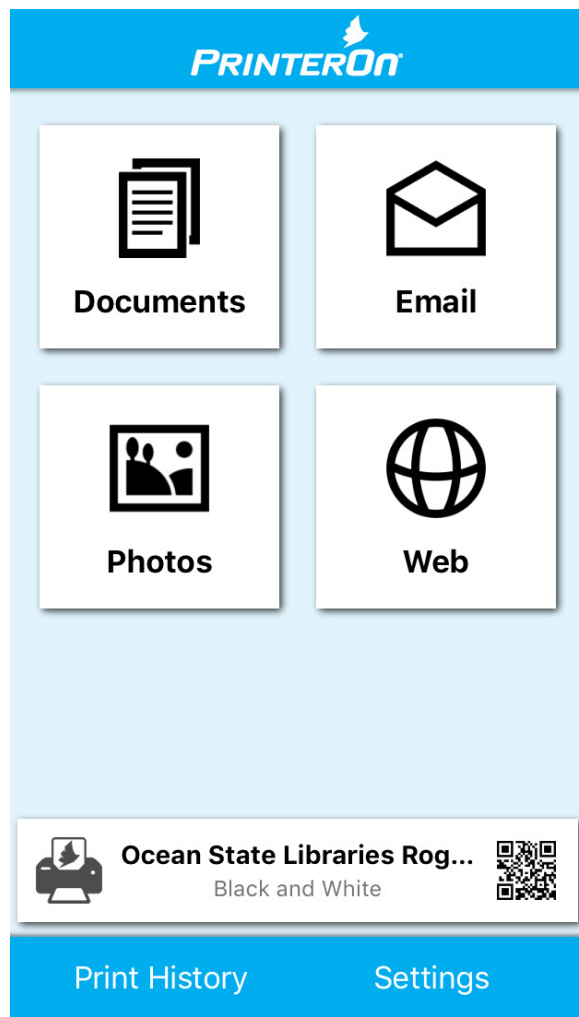

**2. Open the app and tap No printer selected then tap search.**

**3. Type Rogers Free Library then hit search.**

**4. You will see two options, both say Ocean State Libraries. Choose either Black & White or Color.**

**5. You will have to "allow access" to your documents and photos.**

**6. You now have multiple options to print!**

## Helpful Tips:

- You may have to allow access again.
- Remember the name and location of your file before you begin.
- Some email accounts may not be compatible with this app.
- Be sure to tap on print history to make sure the job was successful.
