

Wireless Printing from a Laptop

- 1. Go to www.rogersfreelibrary.org**
- 2. Click the button for mobile printing located in the right-hand column of the website**
- 3. Choose Black & White or Color**
- 4. Enter your email address**
- 5. Select document or enter the exact URL of a website**
- 6. Click on the green printer icon**
- 7. Wait until the message says your request has been processed.**
- 8. You can pick up your print job at any station.**

Helpful Tips:

- **Be sure to know where your file is located (i.e. desktop or downloads folder).**
- **If you are printing from Google Drive, please download the document first to ensure it prints correctly.**
