

# Measuring Light in the Night Kit Borrowing Agreement

Name (please print):

Library Card Number:

## Borrower's Agreement:

- I understand that the Measuring Light in the Night kit may be checked out by a patron who is 18 years or older.
- RETURN: I understand that the Measuring Light in the Night kit must be returned directly to a staff member at the Circulation desk.
- TRANSPORT: I understand that the Measuring Light in the Night kit must be transported in a vehicle and safely secured. I will not leave this kit in my vehicle or expose it to direct sunlight or heat.
- LOAN PERIOD: I understand that the loan period is 3 weeks with no holds or renewals. I will return this kit to the service/front desk and NOT in the drop box. If there are no requests, I may check out the kit again. If the Measuring Light in the Night kit is not returned or items are damaged, I will be charged the full or partial replacement costs below.
- LIABILITY: I will inform library staff immediately if any component of the kit becomes lost, stolen, or broken.
